COMMUNITY AND FIRST RESPONDER EDUCATION:

- Lifeguard continued its community CPR efforts by certifying nine community members in CPR. The lifesaving training that is offered gives community members the confidence and knowledge to begin the “Cardiac Chain of Survival” in the event of a cardiac emergency.
- Lifeguard celebrated Telecommunicators week with the Weatherford Dispatchers. The work that the Weatherford-area dispatchers perform was celebrated with food and t-shirts from Lifeguard.
- Lifeguard participated, along with Weatherford FD and PD, in a mock DUI presentation for the Weatherford High School. In the US, one person is killed every 39 minutes by a drunk driver. This mock presentation is used to help the students understand the dangers of drinking and driving.
- Chief Myers provided standby coverage for the Rhea wildland fires that burned for several days in Western Oklahoma. He also assisted the Custer County Emergency Manager by covering the refueling trailer that was staged at the fires for the fire department apparatus.
- During the wildfire outbreak, Lifeguard sent crews to Clinton for mutual aid to assist with the evacuation of the Clinton Hospital due to poor air quality that engulfed the area as a result of smoke from the wildland fires.
- Lifeguard crews attended the contract signing ceremony for the hospital as it entered an agreement to have Saint Anthony manage the facility.
