#### COMMUNITY AND FIRST RESPONDER EDUCATION:

Lifeguard continued its community CPR efforts by certifying four additional community members in CPR.

Lifeguard provided standby coverage for both the Weatherford High School and SWOSU graduations.

Lifeguard also provided standby coverage at the “Ride for The Wall” event for the approximately 400 motorcycle riders that stopped in Weatherford while traveling from California to Washington D.C. to visit the Vietnam Veteran Memorial.

Lifeguard participated in the Nurses Week celebration to assist in recognizing the nurses at Weatherford Regional Hospital. Lifeguard thanked the nursing staff with gifts and goodies (cookies).

Lifeguard held an EMS week cookout at the station and invited area first responders to attend. This gives Lifeguard not only the opportunity to recognize our employees for what they do, but to also recognize the first responders that we get to serve the communities alongside.

In recognition of EMS week, the City of Weatherford issued a “Proclamation” to recognize all area first responders for EMS Week. EMS week is an annual event that is in place to recognize first responders for their dedication to the communities that they serve.
