"YOUR 2 CENTS"

March 20th at 10:00 a.m. join us in the craft room for a treat and some open conversation. It has been about six months since we sat down and talked about Pioneer Center and activities. This is your time to tell us what is on your mind. We encourage your feedback, including complaints. We are here for you and will always strive to make Pioneer Center a safe, healthy, fun place to spend the day. If you have any ideas of programs that interest you or places we could possibly take day trips to (now that the weather is getting better) and remember we like to keep it local. Keep in mind that this is only for the Pioneer Center activities and programs, not nutrition. We do not have any control over the meal service. You have a voice, and we are here to listen!

Please come and speak up!

“The Six Triple Eight”

PG-13 - 2 hours. 9min.— Drama

Almost a full century after the end of WW II, new stories about the quiet heroism of everyday individuals continue to come to light. This is the story of the war’s only Women’s Army Corps unit of color.

The 6888th Central Postal Directory Battalion contributed to the war effort in a unique way: by sorting through a three-year backlog of mail (17 million pieces of it!) that hadn’t been delivered to American soldiers far from home.

In the face of discrimination and a vast, unfamiliar country divided by global conflict, these 855 women brought hope to the front lines.

But that’s exactly what they did. Given six months to complete the task, the 6888th accomplished their mission in less than 90 days, providing moral when the U.S. needed it most.

LINE DANCE FOR EXERCISE

Come join the fun and the workout that Jan provides every Tuesday morning at 10:00 a.m.

We hope to see you here for this wonderful program! Thank you to Jan and June for faithfully teaching this class.
